

## PROFILE

Results-driven data analyst with a Master's degree in Business and four years of banking experience. Adept at implementing data-driven solutions, I have a strong foundation in analytics, having completed an intensive Data Analysis Bootcamp. Skilled in Python, SQL, Excel, Tableau, and Power BI, I've successfully developed and implemented automated internal procedures, showcasing my passion for data exploration. Eager to contribute analytical insights and innovative solutions, fostering a culture of data-driven decision-making in a dynamic environment.
